

EXECUTIVE ORDER

NO. 2020 - 13

March 20, 2020

AN EXECUTIVE ORDER DECLARING A CURFEW AND PROHIBITING CONGREGATING.

WHEREAS, on March 17, 2020, Mayor Tom Prather declared a State of Emergency in Georgetown, Kentucky; and,

WHEREAS, pursuant to K.R.S. 39A.100(2)(c), the Mayor of a City is authorized to declare a curfew during a State of Emergency; and,

WHEREAS, pursuant to K.R.S. 39A.100(2)(b) the Mayor of a City is authorized to exclude persons from the scene of an emergency; and,

WHEREAS, the Mayor has, after conferring with several county and city officials, determined that a curfew and a prohibition against congregating during the time a State of Emergency exists is in the best interest of the City;

NOW THEREFORE, I, Tom Prather, Mayor of the City of Georgetown, by virtue of the authority vested in me by K.R.S. 39A.100(2)(b) and (c), declare the following provisions to be in effect in Georgetown while the State of Emergency exists:

1. No one eighteen (18) years of age or younger shall be in public after 9:00 pm EST nor before 6:00 am EST any day of the week, unless:
 - a. Said person is accompanied by at least one of their parents or their legal guardian; or
 - b. Is on the way to or from work or actively engaged in employment.
2. No persons shall congregate together in a group of ten (10) or greater in any place open to the public at large. This shall not, however, prevent unassociated persons from being in a public place, such as a grocery, as long as the social distancing provisions set out by the Governor are observed.
3. This Executive Order shall be enforced by all law enforcement agencies which have jurisdiction in Georgetown, Kentucky. Per K.R.S. 39A.100(2)(b), forcible removal or arrest to enforce this Executive Order shall not be exercised as options until all reasonable efforts for voluntary compliance have been exhausted.

This Executive Order shall remain in effect until terminated by the issuance of another Executive Order when I determine that a State of Emergency no longer exists and the exercise of extraordinary measures, including these set out herein, are no longer required for the protection of the public health, safety and welfare.

Signed on this the 20th day of March, 2020.

Tom Prather, Mayor
